Difficult Cases/Complications

PROGRAM DESCRIPTION

In a stunning, breathtaking location, directly at the Rhine Falls we are presenting an ISAPS Course from September 25-27, 2025. World-renowned plastic surgeons will share their insights and experience on the management of difficult cases in aesthetic surgery and how to prevent and handle complications. The newest aspects of aesthetic surgery will be covered, including video sessions.

There is space for up to 160 participants. Participants are chosen on the principle first come first served. All participants are invited to send abstracts for lectures.
